Fog

Answer

Page No: 115 Thinking about the Poem

Answer1:

- (i) According to Sandburg, the fog is like a cat.
- (ii) The fog comes on little cat feet.
- (iii) In the third line 'it' refers to the fog that has covered the city and it seems as if it is looking over the city like a cat.
- (iv) No, the poet does not actually say that the fog is like a cat. However, he has used cat as a metaphor for describing the fog. He says that the fog comes on its little cat feet, which implies that the fog is like a cat as it comes slowly. He also says that the fog looks over the harbour and the city and then moves on, implying that the fog has covered the city and is sitting and looking at it, thereby again comparing it to a cat. This is reiterated when he says that the fog looks over the city sitting on 'silent hunches'. This also shows the reference to a cat as a cat always sits with its knees bent. Hence, he has compared the fog to a cat without actually saying so.
