
Class –VI POLITICAL SCIENCE

Rural Administration

Answer1: The police has to investigate and take action on the cases register within its area. Also provide safety to all the persons.

Answer2: The work of Patwari includes the following:

- (i) Maintenance of land records
- (ii) Collection of land revenue

Answer3: Following are the work of a tehsildar:

- (i) Hearing the disputes related to land
- (ii) Supervising the work of Patwari
- (iii) Ensuring that farmers can easily obtain land record

Answer4: The poem is trying to raise the gender-based discrimination when it comes to inheritance of property. Traditionally, all the sons get inheritance in property but daughters are debarred from it.

This is an important issue because women also work equally in the farm. But they seldom get ownership of the farm.

Answer5: Patwari maintains land record, while Panchayat looks after local needs. A panchayat also needs land record, when construction of road or drainage or installation of hand-pump needs to be carried out. Moreover, many land disputes can be easily settled at the Panchayat itself. Thus, both Patwari and Panchayat need to cooperate with each other in their work.

Answer6: During festivals and public meetings the police takes following actions to prevent crime and to maintain law and order:

Police personnel are put on duty for proper crowd management.

- (i) Presence of police also sets some fear in the mind of criminals.
- (ii) Police helps people if someone is separated from family during religious festivals or public meetings.

Answer7: In a district, the SP (Superintendent of Police) is in-charge of all the police stations. Individual police stations have their own Station House Officers (SHO).

Answer8: Under the new law, women also get a right on their ancestors' property. This gives empowerment to the women.

Answer9: There are many women in my neighborhood who own property. Some of them have got the property from their forefathers. Some others have bought the property from their earnings.
